

American Lincoln Part

American Lincoln Parts - The American Lincoln division is now connected with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machines which are recognized in the business as durable and strong machinery that meets all the needs of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide through direct Government sales, national accounts, and authorized distributors.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind version of floor scrubber. Clark has their manufacturing facilities located in Springdale Arkansas. These types of scrubbers are on the market under the trade mark name "Encore". American Lincoln has the ability to supply parts, warranty service and machines for these kinds of scrubbers that have both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice equipment of huge distribution centers like for example Wal-Mart and Target. The 7765 line has earned the respect of several facility managers where efficiency and results make a difference. Recently, this particular floor scrubber model has been utilized by the architects in different construction projects like Lowes Home Improvement Stores and Home Depot's. Flooring contractors utilize this particular sweeper scrubber on site because of the model's supreme performance level and excellent quality for polishing concrete.
