Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning trade. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have more than sixty years combined experience with successfully marketing, manufacturing, designing, developing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their clients and are committed to providing new design concepts and top quality so as to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines always offers fresh design ideas. They like offering products which energize both their dealers and their partners and offer production gains to their customers.

The team at TREK enjoys handling new tasks and challenges. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the understanding of operators' requirements and skills together with their comprehension of cleaning applications, together with owners' strong desire to considerably lower cost through productivity gains.

The workers at TREK and their dealer-partners are strongly committed to having both parts and technical support obtainable when it is needed. Their high service devotion is among the core values in their customer service. Keeping their clients' cleaning machines ready and working day after day is top priority. The company's top of the line technology delivers dependable machinery which ultimately lessens your cost of cleaning. The price, the service and the product all work together to make them the leader in the trade.
